

## President's Message:

I hope that you all had a wonderful March Break! Movie Night is on April 17th and we will be trying a new format this year. Nottingham will be showing two shorter films, The Gruffalo and The Gruffalo's Child, with a short intermission between films. Please bring pillows and blankets to help make your children comfortable. I hope to see all of you there!

You have recently received an email from the Registrar email account with a link to Nottingham's annual survey. The Board and teachers would very much appreciate if everyone could fill it out. The results of the survey help the current and future Board with planning and also provide the teachers with valuable feedback. All responses are anonymous, so please be honest.

As the weather turns warmer (hopefully!) the children will likely get to spend more time outside. Since the playground can be wet, please ensure that you send your child with splash pants and appropriate footwear.

I hope you all have a great Easter/Passover holiday!

Nita

## MOVIE NIGHT

All was quiet in the deep dark wood...Put on your PJs, bring a blanket and join us for Family Movie Night! On Friday, April 17, we will meet in the Narthex to watch The Gruffalo and The Gruffalo's Child. Doors open at 6:00, the first show will start at 6:30, followed by intermission and the second show. Free for all Nottingham families to attend. Snacks and drinks will be available for sale. See the posters at the school and watch your email for more details.

You recently received an email with a link to our SCHOOL SURVEY. It's very important you complete this survey – this tells us what you love, what you don't like at Nottingham and how we can improve your child's experience. Your participation is completely anonymous. Remember, this feedback is key to planning for future years. We need to hear from you! The deadline is Friday, April 10th.

A well loved children's Spring  
Song!

Robin in the Rain.

Robin in the rain,  
What a saucy fellow!

Robin in the Rain,  
Mind your socks of yellow.

Running through the garden on  
your nimble feet.

Digging for your dinner  
With your long strong beak.

Robin in the rain,  
You don't mind the weather.

Showers always make you  
Gay.  
But the worms are wishing  
You would stay at home.

Robin on a rainy day.  
Don't get your feet wet!

Robin on a rainy day, today.

‘The best foundation for the best tomorrow!’
