Message from the Teachers

Hello families,

Believe it or not, we have reached the very last month of school! We have lots going on this month, so please keep an eye on your email for additional information regarding Graduations, Clean up day, and our Year End Picnic!

May was a wonderful month, with lots of talk about insects and of course the introduction of our caterpillar friends! What an amazing few weeks watching them grow and change right before our eyes! The children loved checking in on them each class to see what they were up to, and learning all about what they were doing and eating at each stage.

We also thank everyone for being so respectful of our little bunny nest! We are hoping to sneak a picture once they are closer to the surface so the children can see what was hiding in that little grassy lump!

Our graduations will take place during the last week of school as follows:

2am - June 18th, 10:45 am
3am - June 19th, 10:45 am
JK / SK - June 18th, 2:30 pm

Our Clean up day (which is mandatory for all families,

including those who opted for a committee buy-out), asks that each family contribute 1 - hour, on Thurs June 20, to help clean / organize the school. In the past, families have teamed up with another family to split their required time and watch each other's children, or asked a family member to come in on their behalf!

Please note that failure to attend will unfortunately result in an assurance cheque being cashed / withdrawn, unless you have already made alternate arrangements with Miss Jessica.

Please find the link below to sign up for a time slot!

Year End Picnic! This is one of our favourite days each year! Our year end picnic will be held at Coronation Park in Oakville, on June 21 from 11:30 - 12:00 pm. We will have access to the picnic benches and splash pad, and invite you to bring along the whole family! We will have a few snacks and refreshments, but encourage you to bring a picnic lunch and blanket!

This month we will be talking about all of the summer fun yet to come, celebrating and crafting some very special things for Father's day, and having some very fun days to finish off the year!

We have had such an amazing year watching our friends grow, and turn into truly wonderful little people! For those returning next year, we hope you

have an amazing and relaxing summer! And for those moving on to new schools we wish you all the best, and hope you continue to grow into your amazing selves that we have come to love so much!

Presidents Message

Hi Families,

Sadly, we only have a few weeks left in the school year, but what a wonderful year it's been! Although we are wrapping things up, there are still some important dates coming up in June so please check the important dates section of the newsletter and mark them down in your calendars!

Saying goodbye to our graduating families is always difficult and we will miss you all, but we wish you the best next year as you head off to elementary school! For those families that are returning, we look forward to welcoming you back in the fall for another fun-filled year!

As I've said before in previous newsletters, Nottingham is a cooperative preschool.

The definition of cooperative is: "involving mutual assistance in working toward a common goal" and this past year that is exactly what we have all done. I want to extend a huge thank you to the Nottingham teachers and board of directors, as well as the parent volunteers and committee members; we appreciate all of you for your hard work, time, and effort. This type of a school cannot run without all of us doing our part, and when we come together for the school and the children, we can accomplish amazing things. Have a safe and relaxing summer break and we

will see you in September!
